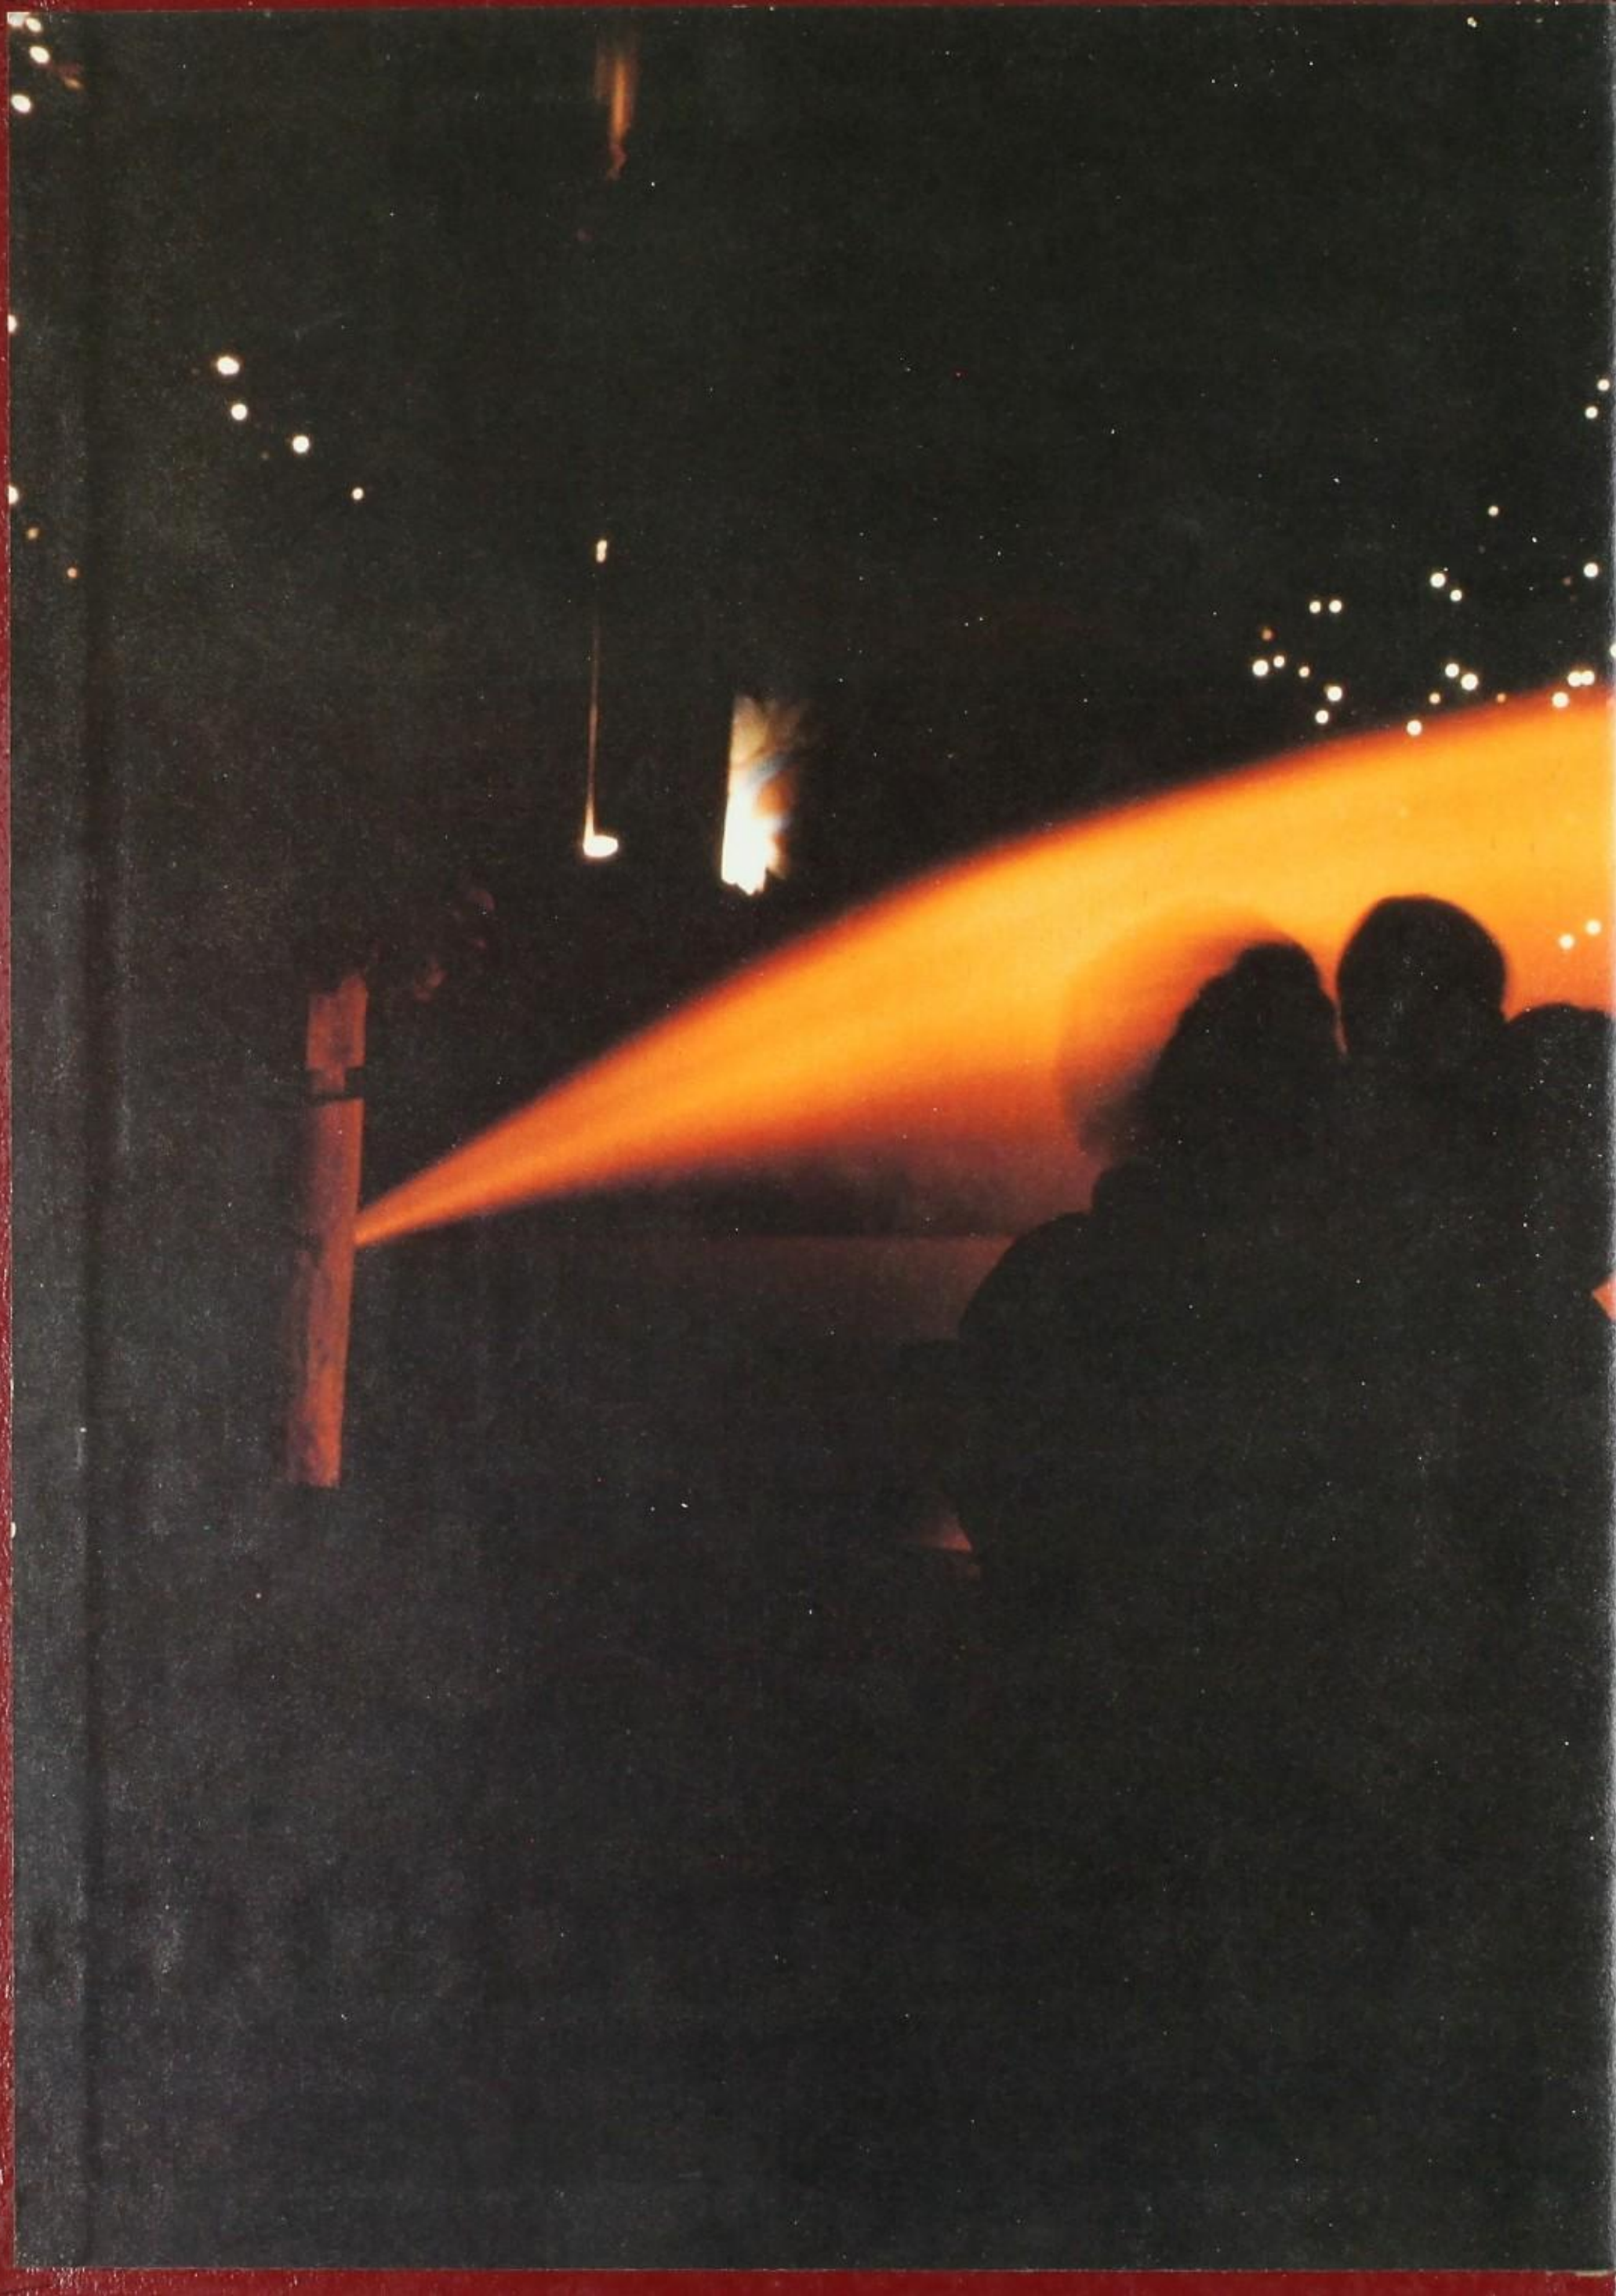
BULLDOG



To a
teacher
who has been
an alright to me.
I give me a hard time
a few times but not a lot.
If I could say anything
more about how nice you
are I would. But, I don't
have enough space.
It's to bad that I had
to leave the apperance
of such a nice teacher; the
one I have at Pairs gives
me sooo much work
it makes me sick.
Thanks for being
so nice.

THE BULLDOG 1980

The 79-80 Bulldog is just one of many links in the chain of our memories of A.H.S. As we all remember back, this school has meant a lot to each of us. I hope this book will help clarify a big part of these memories.

On behalf of the Annual Staff, I would like to thank Mrs. Peek and Mr. House for their entire cooperation, and most of all, I would like to thank God for making it possible for this chain to be linked from beginning to end.

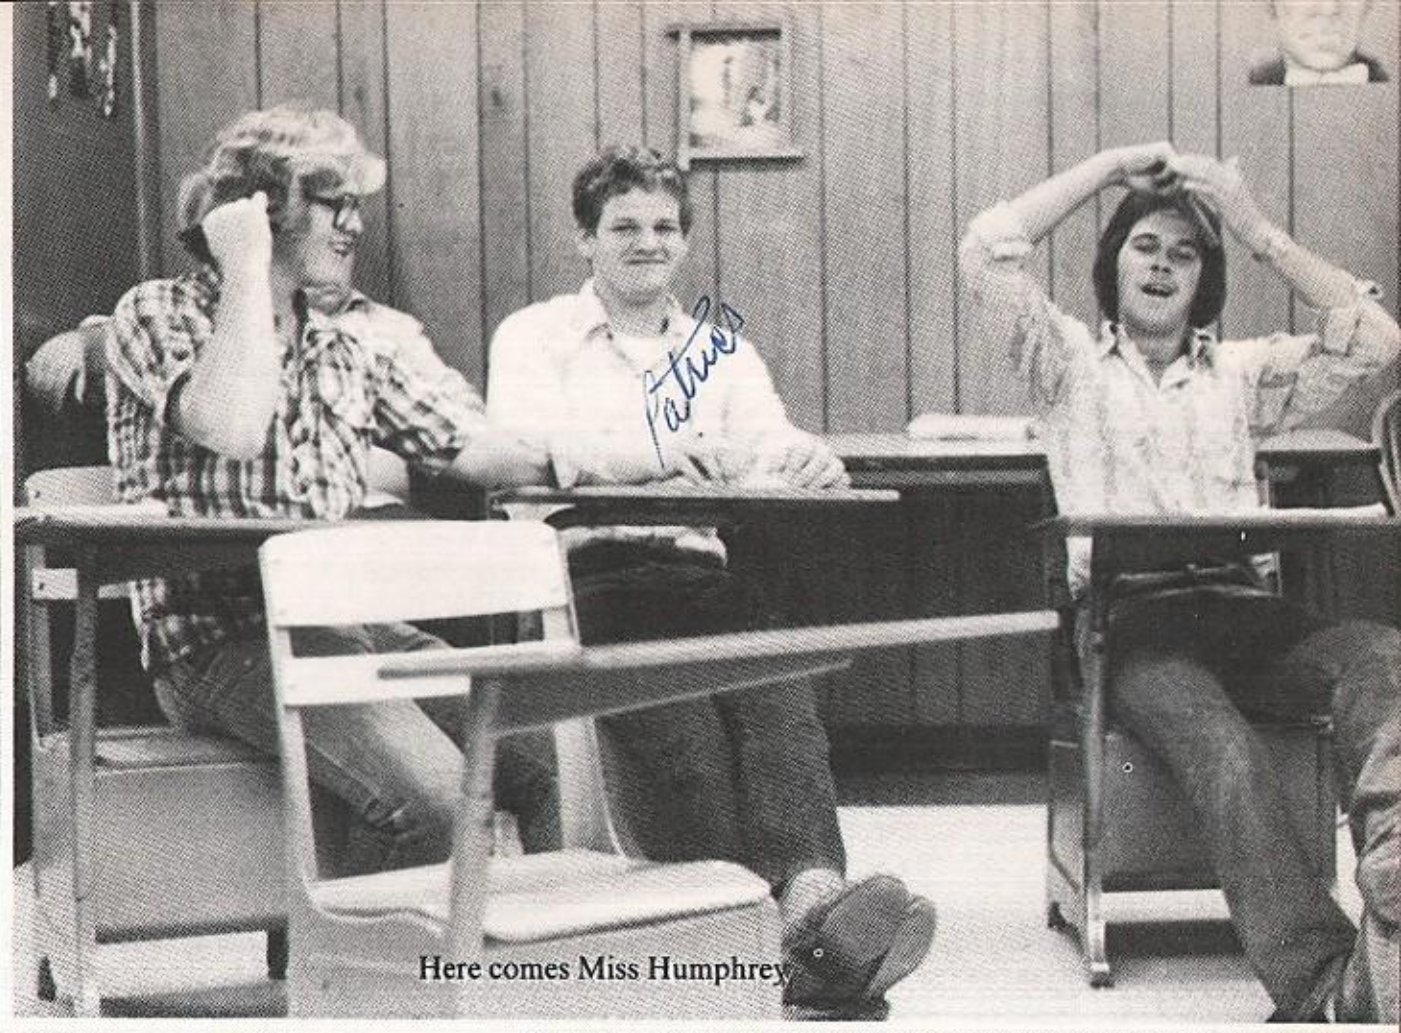
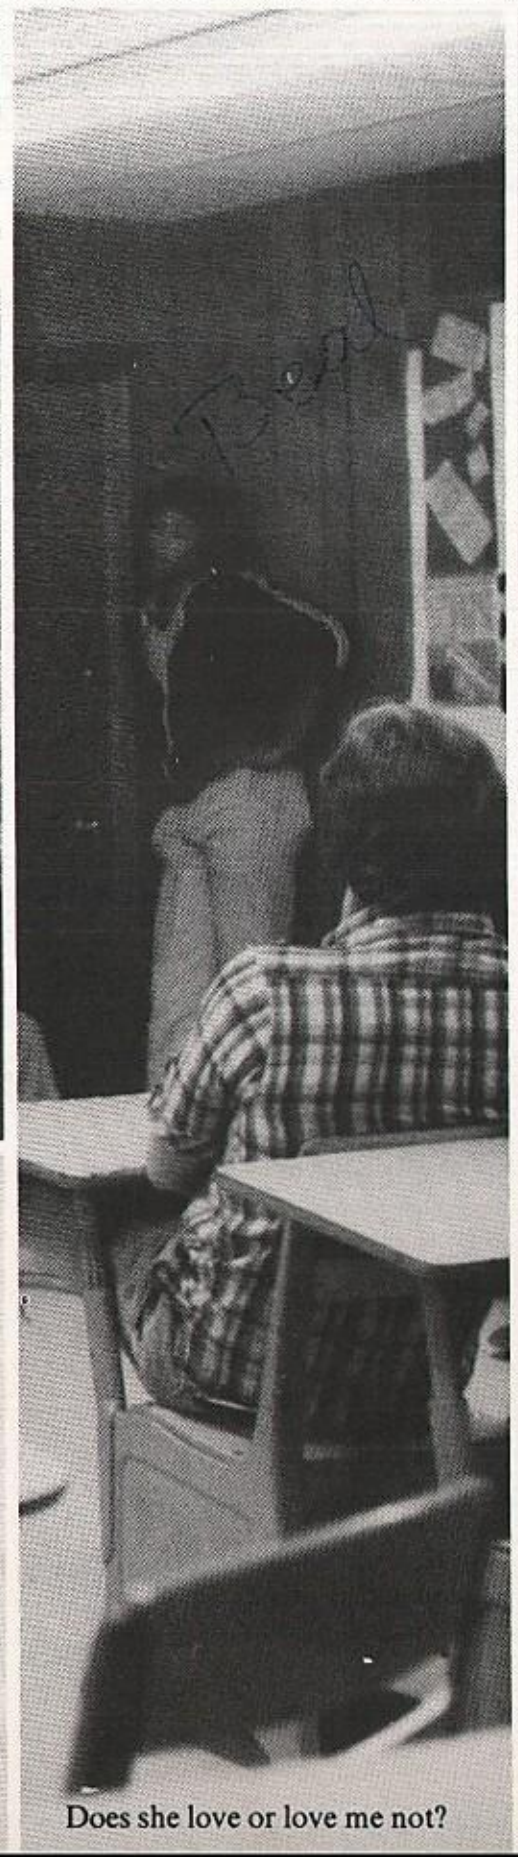
Johnny, Listening to your teacher?

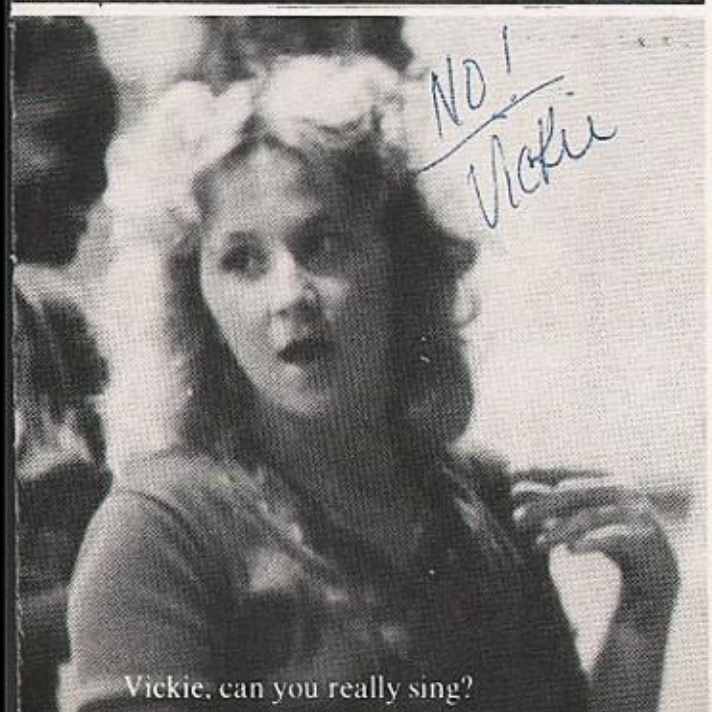


Here comes Miss Humphrey



Does she love or love me not?

What's this — a new square dance?



Vickie, can you really sing?
